

President's Message

September Rush was a big success, with a standing room only crowd. Interest group chairs presented lively spiels to describe their group activities. Good food and good company.

The Bylaws update is still in the works.

October is just around the corner, and I am looking forward to seeing you all at Del Mar. Mark Skurka will speak on "Domestic Violence" at this luncheon meeting.

AAUW is co-sponsoring the October 13th Candidate Forum sponsored by the League of Women Voters. **The October 13th Forum will be held from 6:00 to 9:30PM in the Council Chambers of City Hall and will feature candidates for Federal, State, and County offices.** We need volunteers from AAUW to assist at the front sign-in desk and circulating among the audience collecting questions. There will be no expense incurred by the AAUW; we may display a banner and membership materials during the forum.

In addition the forum is televised and run several times on public access television. In addition, the League of Women Voters is launching a "get out the vote" campaign involving calling people in pre-selected areas of the city; we can also participate in training for this campaign. Training involves a webinar 10 to 12PM on Sept. 26th and an in class training session from 4-6PM on Oct. 4th. (cont.)
