

September Edition 2018

President's Message - Dottie Ewing

Our September Rush is rapidly approaching. The Board has planned an exciting event for our first meeting of the year and our introduction of new members to our branch. Although it is not required, it would be helpful if those of you who plan to attend, and especially if you are expecting a guest, to let our Membership Chair, Kris Conlan, know. This will help us to ensure ample seating. I'm looking forward to seeing everyone again.

I look forward to seeing Branch members and their guests at the September Rush.

15-year-old, Christopher has an extraordinary brain: He is exceptional at mathematics but ill-equipped to interpret everyday life. He has never ventured alone beyond the end of his road, he detests being touched, and he distrusts strangers. Now it is 7 minutes after midnight, and Christopher stands beside his neighbor's dead dog, Wellington, who has been speared with a garden fork. Finding himself under suspicion, Christopher is determined to solve the mystery of who murdered Wellington, and he carefully records each fact of the crime. But his detective work, forbidden by his father, takes him on a thrilling journey that upturns his world.

Winner of the 2015 Tony Award for Best Play. "This adaptation by the acclaimed playwright Simon Stephens is intensely, innately theatrical; it is also funny and extremely moving...resonates with quality." —Telegraph (London). "... just terrific...a profoundly moving play about adolescence, fractured families, mathematics, colours and lights... dazzling." —Independent (London). "A beautiful, eloquent, dazzlingly inventive show about the wonders of life." —Evening Standard (London). *Source: cla.tamucc.edu*

In the kooky, upside-down world of the Addams Family, to be sad is to be happy, to feel pain is to feel joy, and death and suffering are the stuff of their dreams.
