

**BRANCH MEETING: SATURDAY, December 1, 11:00am**

**Mirador, 5857 Timbergate Dr., 78413**

**CC Branch Luncheon & Silent Auction**

**December Edition 2018**

## **President's Message - Dottie Ewing**

Our December meeting is fast upon us and Christmas is just around the corner. The food at the Mirador is excellent, and the raffle for the gift card baskets as well as the silent auction are always exciting. These two fundraisers are the only ones we have during the year, and their success is pivotal to funding our branch and especially our Community Outreach events. Since parking is somewhat limited, it helps if we carpool as much as possible. Our Christmas gift event for the YWTeens is coming soon, and if you've never participated in this, you have missed out on a fun time. I look forward to seeing everyone at the Mirador this Saturday.

**President 2018-2019**

## **Thank You Message**

*Dottie received this email from Sharon Amaya to share with AAUW members.*

I just wanted to thank you for the cards and get well wishes. This is my first experience with a serious injury and it has been quite an ordeal. The cards from you and other AAUW members have helped to brighten up my days.

I am healing up slowly and will be starting physical therapy at the end of the month. Even though I no longer have to wear a sling, my right arm is fairly useless and it will take a lot of work to get it to function again. I'm not looking forward to the hard work of therapy, but I am really looking forward to simple things like being able to dress myself independently and drying and styling my hair again. It's those little things that drive you crazy when you suddenly can't do them anymore.

Since typing is one of the things that is hard for me, would you please do me a favor at the next meeting and let the other members know that I'm doing better? Please tell them how much their cards and messages cheered me up over the past couple of months. Everyone's kind thoughts and supportive encouragement helped to make a dark time in my life much easier to endure and I'm very appreciative.

Thanks so much, Sharon Amaya

## November 2018 Branch Meeting

The Corpus Christi Branch of AAUW held its regular meeting on Saturday, November 3, 2018, at 10:30 a.m. at the YWCA-Corpus Christi.

Dr. Catherine Cox introduced our speaker, Dr. Kimberly Stump, who practices family medicine at the Texas Department of Health and Human Services at the Corpus Christi State Supported Living Center. Dr. Stump earned her medical degree from the University of Texas Southwestern Medical School in Dallas, and completed her residency at the New Hampshire Dartmouth Family Medicine Residency in Concord. She is board certified in Family Medicine and has been practicing since 2012. Her interests include preventive medicine, complex care management, and health policy.

Dr. Stump gave an informative presentation on preventive medicine, stressing the need for women to get regular screenings, such as mammograms and colonoscopies, and to stay current with immunizations.
