President's Message

November Edition 2022

Let's Vote! Just a reminder that early voting in Texas for the 2022 mid-term election began on Monday, Oct. 24 and ends Friday, Nov. 4. Election Day is Tuesday, Nov. 8. You will, of course, need one of the seven forms of identification to vote. I use my driver's license for proof of identity, but there are others that count as well. Please make your plans to vote and help other women get to the polls if you can. If you need a ride to the polls, please reach out to one of us. What a great privilege it is to be able to vote for our representatives.

Next, I want to say, "Brava, "Peace of Mind" organizers! Helped by Shirley Selz, Diana Cardenas, Susan Birchfield, Nancy Wesson-Dodd, Dottie Ewing, Kat Pettaway-Clarke, and Amy Rose, Sylvia Rendon guided us through an enlightening series of lectures on Saturday morning, October 15. After coffee, doughnuts, and conversation with attendees, our three speakers – Susan Hutchinson, Attorney-at-Law, specializing in Wills, Estate Planning, and Probate; Nestor Praderio, M.D. and specialist in Psychiatry and Neurology; and Shanice Mendoza, representative from the Coastal Bend Area Agency on Aging – gave us excellent information and advice regarding preparing for the end of life. We had 35 attendees, including quite a few AAUW members, at the event. I thank the YWCA for helping to sponsor the program.

As you may recall, the "Peace of Mind Presentation" was the brainchild of Janis Wood. She and Sylvia Rendon organized our first event prior to the outbreak of Covid 19. The following year, The Outreach Committee decided it wanted to plan another session, but the pandemic disrupted our plans. We, however, are back now and hope to make this a permanent part of what we do. The "Peace of Mind Presentation," which focuses on adults, helps to balance Outreach's offerings. We also obtained two new members from the endeavor. Welcome to AAUW, Cecilia Cueva and Diana Reyes! I am looking forward to our next Book Finders' Book Sale, November 10-12th. We have declared the first two of these days, Thurs. Nov. 10 and Friday, Nov. 11 as "tax free" days. Please let your friends know about the book sale. I wish to thank all of our Book Finders as well as Neyland Library, which houses the Book Nook, our site of operation, and our book sales. Our many scholarships are funded by these sales.

Finally, please don't miss the coming branch meeting on Saturday, November 5. Our program will be "Women Entrepreneurs Society of Corpus Christi: Empowering Women in Business and Life" by Nikki Riojas, Founder of the Women Entrepreneurs Society of Corpus Christi. We will meet at the YWCA at 10:30. Please come early to enjoy refreshments and conversation.

Mission: To advance gender equity for women and girls through research, education, and advocacy.

2022 Peace of Mind Seminar

Story and photos by Dr. Vickie Natale

On Saturday, October 15, 2022, the Community Outreach Committee of the AAUW Corpus Christi Branch presented a seminar on “Peace of Mind” at the YWCA. The free seminar was open to the public, and more than 30 individuals attended. The Seminar was designed to encourage individuals to plan for the end of life – for themselves and their loved ones. Attendees learned that planning for one’s own end of life and helping loved ones plan for theirs will bring to all greater peace of

The speakers for the event included:

•**Susan E. Hutchinson, J.D.**, an attorney with Davis, Hutchinson, and Wilkerson, L.L.P., who specializes in wills and probates and who is a former Y Women in Careers recipient. Hutchinson discussed relevant topics including: transferring assets into a living trust; creating a joint tenant with survivorship account; statutory power of attorney; medical power of attorney; directive to physicians; and executors for your will.

•**Dr. Nestor Praderio**, a geriatrician who has been in practice for over 48 years, specializing in psychiatry and geriatric psychiatry. As a geriatrician, Dr. Praderio focuses on the unique health needs of the elderly, including chronic diseases, such as dementia. Dr. Praderio discussed the progression of dementia and that, currently, there is no known treatment or medication that will cure or stop progression of the disease. The greatest risk factor for dementia is aging. Other high-risk factors include hypertension, diabetes, high cholesterol, alcohol use, and a person’s connection to others. Ways to help reduce the risk of dementia include a healthy diet, regular exercise, limiting alcohol, and keeping your blood pressure at a healthy level. Dr. Praderio stated that it is important to see a doctor early for diagnosis, to receive education and guidance about the disease.

•**Shanice Mendoza**, a benefits counselor from the Coastal Bend Area Agency on Aging. Mendoza discussed the support services for the elderly that are provided by the agency. Many of the services are in high demand, resulting in a wait list for specialized services, such as assistance for clients needing environmental or medical equipment modifications to meet their needs. The agency runs a “Hope Closet” that has medical equipment that has been donated by others and is available for those in need. If you have medical equipment that you no longer need, they will accept donations for the Hope Closet.

AAUW member Shirley Selz also developed a Planning Guide and made copies for attendees that can be used to assist with practical considerations regarding the needs of individuals as they age, face health issues, and approach the end of life. The Guide is intended to help users organize and gather information in a timely manner before last minute decisions must be made.

The AAUW Branch sincerely thanks members Kelly Gonzalez, Dr. Sylvia Rendon, Dr. Diana Cardenas, Shirley Selz, and Dr. Catherine Cox who planned and coordinated the event, as well as Nancy Wesson-Dodd and the YWCA for providing the venue for the event. The seminar was well received, and several attendees indicated that they would like to hear more.
